January 19, 2010

Mr. Larry Lattin
P. O. Box 372
Boulder, MT 59632

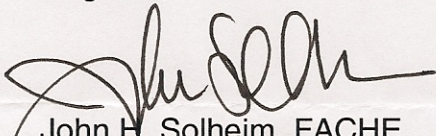

Dear Mr. Lattin:

Thank you for meeting with me on Friday, January 8, 2010. It is exciting to hear about your efforts to get a new veteran's nursing home built in Boulder. Should this occur, St. Peter's Hospital would be happy to bid on the medical contract.

St. Peter's Hospital operates a 125-bed hospital with approximately 120 physicians on staff. The St. Peter's Medical Group has staffed and managed the Parker Medical Clinic serving the Boulder community and surrounding area for many years. In addition, the Hospital has its own ambulance service that would be happy to assist the nursing home with transfers if the need arises.

Best wishes for your proposal.

Regards,

John H. Solheim, FACHE
President / CEO
